

Manufactured Housing Furnaces by Evcon™

Consistently comfortable. Always reliable.

Efficiency that lasts

Assembled and tested in our state-of-the-art manufacturing facility in Wichita, Kansas, Evcon™ heating and cooling products are trusted to deliver high-quality, high-value performance that's easier to sell, install and service. Our products for manufactured homes are no different, featuring world-class reliability in a small footprint with HUD code approval.

Backed by a leader

Thanks to the award-winning expertise of parent company Johnson Controls, the Evcon™ line of manufactured housing furnaces are designed and built to the highest quality standards – delivering performance, efficiency and value with every unit.

Evcon™ QC/QW Series Air Conditioners

- **Small footprint** for easier handling, transportation and installation
- **Efficiency standards** compliant with three product families to meet regional requirements
- **Better service features** including single-panel access to the electrical controls, swing-out control box for full corner access and a removable fan guard that provides easy access for unit maintenance

Evcon™ EB Series Electric Furnaces

- **Zero clearance** feature allows the furnace to be installed where space is a premium
- **Built-in coil cabinet** allows for ease of installation and highly efficient operating performance
- **Multi-speed blower** capable of handling cooling and heat pump loads

Evcon™ DGAA/DGAH Series Gas Furnaces

- **Louvered front door panel** construction for durability
- **Fits standard manufactured housing space** for ease of installation
- **Electronic hot surface ignition** saves fuel costs with increased dependability and reliability

Quality to count on

Evcon™ products are proudly assembled and tested right here in America's heartland. That's why we're able to cover our Evcon™ furnaces for manufactured housing with some of the strongest warranties in the business.

- * Gas furnaces come with 15-year (MG9S) or 10-year (DGAA/DGAH) heat exchanger limited warranties.
- * Electric and gas furnaces come with 2-year parts limited warranty
